

# eMAV FOR VETERINARIANS

Canine/Feline Animal Track or Equine/Farm Animal Track

*I am a recent eMAV grad (last November). I have not regretted a single moment of providing acupuncture for my patients so far! It truly is the highlight of my day, most days. The feedback I am getting from my clients is overwhelmingly positive and seeing the patients relax into repeat treatments is incredibly rewarding!*

**Tammy Ness, DVM, cVMA**

SEE WEBSITE FOR ADDITIONAL REGISTRATION INFORMATION AND COURSE FEES  
Presented and directed by Narda G. Robinson, DO, DVM, MS, CRPM, FAAMA

Large Animal 92 CE Hours / Small Animal 86 CE Hours

# WHERE VETERINARY MEDICAL ACUPUNCTURE BEGAN. MORE THAN 20 YEARS AGO.

Medical Acupuncture for Veterinarians (MAV) is the leading course for comprehensive, critically evaluated, scientifically based, and evidence-informed instruction in veterinary medical acupuncture and its related techniques: photomedicine and massage.

Our highly acclaimed curriculum guides students through the basic science of acupuncture, neurophysiology, and neuromodulation.

We emphasize the central significance of myofascial palpation as an indicator of pain and dysfunction. Learn how to appropriately implement Medical Acupuncture and Integrative Neuromodulation® (MAIN) techniques for the following conditions:

- Disc disease
- Spinal cord injury
- Back and neck pain
- Digestive disorders
- Cranial and peripheral neuropathies
- Lameness
- Voiding dysfunction
- Arthritis
- Athletic performance
- Immune dysfunction
- Reproductive disorders
- Post-surgical problems
- Recovery following trauma
- Dermatologic issues
- Ocular pain
- Cancer-related problems
- Geriatric problems
- Rehabilitation
- And much more!

## eMAV CANINE/FELINE TRACK REGISTRATION INCLUDES:

**1 YEAR ACCESS**

**INTERACTIVE GROUP/SOLO SESSIONS**

**TECHNICAL SKILLS TUTORIALS**

**CASE REPORT**

**MAV PRIVATE FACEBOOK GROUP**

**eMAV CLINICAL INTENSIVE**

**ONLINE TEST/ONE RETEST IF NEEDED**

**GRADUATE LISTING ON WEBSITE**

**ONE MAV TECH COURSE**

**CURACORE MAV ACUPUNCTURE KIT**

**ADMISSION ELIGIBILITY** - Registrants must be licensed veterinarians, or hold an equivalent credential such as serving as faculty in a veterinary college, or a second, third, or fourth-year veterinary student with written permission from their college dean's office.

## Section I. Foundations.

Overview of Points and Channels  
Acupuncture Analgesia  
Neuroanatomy and Neurophysiology  
Anatomical Substrates of Acupuncture Points  
Regional Points  
Big Points

## Section II. Treatment Approaches.

Movement and Gait Analysis  
Select Points and Their Locations  
Needling and Electroacupuncture  
MAV Benchmark Recordings  
Clinical Applications  
Myofascial Palpation and Treatment  
Interactive Case Examples in Medical Acupuncture  
Access to Relevant Master Classes

## Section III. Clinical Intensive.

No-Travel Online Clinical Intensive (additional section/Zoom testing)  
One-on-One Zoom Sessions with CuraCore Faculty (optional)  
Case Report

### CURACORE eMAV ACUPUNCTURE KIT

*Items are representative of what will come in your kit and may not be identical.*

All eMAV students receive our new **CuraCore eMAV Acupuncture Kit** (a \$495 value) which contains the following:

**Narda G. Robinson, DO, DVM, MS, CRPM, FAAMA**, is a leading authority on scientific integrative medicine from a One Health perspective, with over two decades of practicing, teaching, and writing about integrative medical approaches in both veterinary and human osteopathic medicine. Dr. Robinson is also the Founder, CEO, Lead Faculty, and Course Director for CuraCore VET -- the only veterinary educational institution that brings together knowledge and insights from both human and veterinary medicine.

In 1998, Dr. Robinson launched Colorado State University's first integrative medicine service and for eight years directed CSU's Center for Comparative and Integrative Pain Medicine. Dr. Robinson has taught a variety of popular, scientifically based continuing education courses, ranging from medical acupuncture and massage to botanical treatment and photomedicine. Dr. Robinson holds a Bachelor of Arts (AB) degree from Harvard/Radcliffe, a doctorate in osteopathic medicine (DO) from the Texas College of Osteopathic Medicine, and a doctorate in veterinary medicine (DVM) and master's degree in biomedical sciences (MS) from the Colorado State University College of Veterinary Medicine and Biomedical Sciences. She is a fellow within the American Academy of Medical Acupuncture (AAMA). She also serves on the American Board of Medical Acupuncture, the board-certifying organization for physician medical acupuncturists, and the AAMA Board of Directors.
